Strand Table Lamp

"The Strand Table Lamp is formed from a sprayed cocoon material with its cloud-like appearance that tightly clings to a spinning steel frame. It consists of tiny strands for a complex, intriguing structure that shrouds the light source while acting as its diffuser. With its see-through expression, the cocoon material allows for the Strand Table Lamp to filter light for a warm, comfortable glow. The Strand Table Lamp is a truly tactile and functional luminaire with soft light throughout the body, bringing an inviting sculptural quality to any setting."

— Benjamin Hubert

Designed by	Benjamin Hubert
Environment	Indoor
Country of Production	Italy
Preassembled	Yes.
Description	The Strand Table Lamp references design history while remaining distinctly modern. Its shape is soft and playful, and its sculptural design is fitted with a hidden light source that illuminates the whole of its monolithic form. The lamp is made of sprayed cocoon material that consists of tiny strands for a complex, intriguing structure that gives the Strand Table Lamp an almost cloud-like appearance. Filtering light for a warm, comfortable glow brings a sense of comfort, harmony, and a refined sensitivity to any room. Available in both small and larger sizes, the Strand offers versatility in placement—from desktops and shelves to floors for the larger model.
Material	Cocoon layer with inner steel structure, base in iron and aluminum, PVC cord with inline dimmer. Cocoon Resin. A cocoon composite material that is sprayed onto a steel frame through a 3-step process of the fiber web, cocoon plastic, and protective top coating.
Cleaning & Care	Clean with a soft, dry cloth only. Always switch off the electricity supply before cleaning.
Cord Length	250 cm / 98.5"
Light Source Included	H 39,1 cm / 15.4", H 59 cm / 23.2": No.
